SILVER LINING IN MINING CLOUD

Offer of Operators for Moderate Raise to Miners Breaks Ice

MAY START UP TODAY

Offer of 20 Per Cent Increase in Wages Not Enough Says John L. Lewis.

Though operators and miners of the central competitive fields remained hard locked all day yesterday in their negotiations for a new wage contract, prospects for an agreement that would settle the coal strike were considered brighter last night than at any time since the strike was called.

The operators offered to the miners' representatives a flat increase of 15 cents a ton on coal mined and 20 per cent increase for day workers. John L. Lewis, acting president of the Mine Workers of America, outwardly stamped the concession as wholly inadequate, but both sides plainly took the offer as a breaking of the ice and an opening for trading tomorrow.

Meanwhile, the Government continued to hold hands off, and Fuel Administrator Garfield took no steps to openly ration or restrict coal consumption.

President Lewis, of the Mine Workers, after the close of the long session today, said he considered that the operators' proposal had "contributed nothing to the, settlement of the difficulties," but at the same time indicated that miners were preparing to come down a degree in their demands for a six-hour day and a 60 per cent increase.

"The operators are proposing something that they know can't be accepted, he said. "The increase they would give they simultaneously arrange to take back in increased charges to miners for supplies. Then they haven't talked the question of hours at all. It is not necessary to take up the six-hour proposal. We have many of our men who work nine and ten hours a day under present conditions, because the present eight hour day in many mines is merely a basic theory and not an actual fact."

Thomas T. Brewster, chairman of the operators' scale committee, refused to discuss the proceedings, but the compromise offer made by the operators was outlined more fully by his associates.

The proposed wage advances are the absolute maximum to be offered. W. T. Guthrie, member of the operators' scale committee, representing Western Pennsylvania, and George B. Harrington, Illinois spokesman for the operators, said last night. Failure on the part of the miners to accept the proposition would mean mediation by the Government, Guthrie said.

LIFTS BAN ON WHISKY

British Parliament Cheers Notice That Much Liquor is Available

London, Nov. 21.—One hundred and fifteen million gallons of whisky, besides a quantity of other spirits in bond in Great Britain, were released from wartime restrictions this week and may be distributed to all comers who can persuade the dealers to sell.

Announcement of the removal of the restrictions, which was made without warning in the House of Commons by the food controller Tuesday, came as a surprise to the members, who greeted it with loud cheers.

The liquor trade was equally surprised and was besieged by the well to do among the public as soon as the unexpected news spread. Many orders of from 50 to 100 dozens were placed immediately, in addition to numerous commissions for smaller quantities.

It is figured that enough spirits has been thus freed to supply each man, woman and child in the country with 36 bottles. The government maintains control of the maximum price, which for whisky is ten shillings and six pence per bottle.

KILLS WHITE WOMAN

Negro Became Enraged Because She Refused to Marry Him

New York, Nov. 21.—Enraged because she refused to marry him, Joseph J. Jones, a Boston negro, shot and killed Mrs. Theresa Arico, white, at the home of her mother, Mrs. Lena Schwartzberg, 601 East Seventeenth street. Then the negro, who from papers in his pockets was identified as an I. W. W. agent, shot himself through the right temple, dying shortly afterward.

Mrs. Arico was twice wedded and was said to be a widow. She had a son of 16 and a daughter of 14.

According to the police, Jones, who had been lodging at the Schwartzberg home up to two months ago, returned on the pretense of getting a satchel, which he said he had forgotten. Mrs. Arico admitted him. They talked for a few minutes, then Jones shouted: "If you don't marry me you won't marry anybody else."

This was followed by two shots.

CONDITIONAL PARDON

Mrs. Hall, Convicted of Murdering Her Husband in Louisa Co. in 1914, is Free

The news of a conditional pardon granted a convicted murderess some two weeks ago by Governor Davis is announced. Mrs. Elizabeth A. Hall, of Louisa county, received the pardon, having served not quite half of a ten year term imposed by a jury in 1914 for the murder of her husband, Victor Hall, on the morning of April 15, 1914.

The murder of Hall caused a sensation, following closely a fire which destroyed the store of a merchant named Dunkum, a business rival of Hall's. Dunkum was a brother of Mrs. Hall's first husband and Victor Hall was suspected of having started the fire which destroyed the store.

MEET PANTHER IN ROAD

Vigorous "Honking" of Flivver Horn Causes Both Animal and Man to Flee

Winchester, Va., Nov. 21.—Returning late Wednesday afternoon from the western section of Frederick County, where they had been visiting relatives, Edward Peer, of the Winchester postoffice and members of his family were suddenly halted by a full grown panther, which sprang from thickets at the side of the road directly in front of their flivver.

Peer took in the situation at a glance and, with "full steam ahead" sped off down the road at a lively clip, reaching town much sooner than he had counted on. He said he frightened the panther by "honking" vigorously at close range.

SOCIALIST MEETING BARRED

Syracuse, N. Y., Nov. 21.—Members of the American Legion having threatened to storm a projected Socialist meeting at which George Kirkpatrick, former Socialist candidate for Vice President, is scheduled to speak, the mayor announced yesterday that he will not permit the meeting to be held. The Socialists are defiant and say the meeting will be held anyway. The Federal authorities have ordered the arrest of men distributing circulars advertising the meeting which has been arranged "in behalf of political prisoners."

AFGHAN VILLAGES BOMBED

London, Nov. 21.—Three villages of Afghanistan just beyond the northwestern frontier of India were bombarded November 13 by 25 British airmen, who dropped five tons of explosives, according to advices from India recently. The airmen have continued the operation daily with good results, the machines returning from each flight without a casualty, notwithstanding heavy antiaircraft fire.

WARN AGAINST BOMBS

Nation Wide Anarchistic Plot Unearthed in Philadelphia

Philadelphia, Nov. 21.—Beware of bombs in Christmas packages.

This was the warning sent out to government officials this week when police here discovered evidence of a Red plot to send explosive machines as Christmas gifts through the mails.

Evidence of the existence of the nation wide anarchistic plot to institute a reign of terror at the Christmas season was discovered yesterday by Andrew Emmanuel, head of the bomb squad of the city detective force. Emmanuel, it is said, discovered the evidence during his investigation of radical activities here.

Superintendent of Police Robinson immediately communicated with government officials and with Chief of Police Quigley of Rochester, N. Y., chairman of the Board of Governors of the National Bureau of Criminal Identification.

The Bureau of Police also issued the following statement:

"Superintendent of Police Robinson is in possession of reliable information that members of certain radical organizations, with headquarters in the principal cities of the United States, are preparing to send out prior and during the Christmas holidays, packages of neat appearance, which would probably be considered as Christmas gifts by those who receive them. Some of these packages, it is known, are intended for United States government officials of States and cities, whose duties have required them to take an active part in the suppression of Bolshevik and anarchistic movements."

HOLD MAN FOR SHOOTING

Row Over Position is Said to Have Been Prime Factor in Lynchburg Tragedy

Lynchburg, Nov. 21.—Harry T. Blanks was shot here Wednesday and W. E. Rhodes, shipping clerk for Fields-Watkins Co., is being held. Blanks died on the way to the hospital. He was discharged by Rhodes, and, according to Rhodes, who surrendered himself to the police, Blanks threatened to kill him, but he was able to shoot first, one ball piercing Blanks' ear and another near his heart. The third went wild.

The shooting occurred in a whole sale store.

In the past year Blanks' mother and wife died of influenza. Later his baby and father died and he married again within the year. Rhodes came here about fifteen months ago from Norfolk.

BREAK COMING

Armed Intervention in Mexico Not Unlikely in Continued Refusal to Release Jenkins

The tenest and most dangerous situation between the United States and Mexico, since the Pershing occupation, has been created by the re-arrest and imprisonment by Mexico of W. O. Jenkins, a United States citizen.

The Department of State yesterday sent a note to the Mexican Foreign Office, through the American Embassy at Mexico City, calling for the immediate release of Jenkins, the American Consular Agent at Puebla.

On its face judging only by the tenor of the American note it means that if Carranza does not comply with the demands of this government, anything, including armed intervention, may or should follow.

Ozburn and the bailiff had gone to the negro's house and a demand for him to come out and surrender was replied to, it was said, by a shot that killed Ozburn. A number of men rushed in, seized the negro, tied a rope around his neck, carried him off into the woods and shot him to death.

An effort will be made to have all preparations for enforcement of the treaty completed by that date and it probably will be put into effect very early in December, regardless of the failure of the United States to ratify the treaty.

HIGH SCHOOL PLAYERS

Second Performance Will be Shown Tonight

The three plays given by the Alexandria High School were presented last night before a large and appreciative audience in the High School auditorium. All three plays scored a success with their attractive setting and able acting.

In the Japanese play, Mr. Fred Pettitt made a decided "hit" with his sympathetic and humorous portrayal of a young American. Indeed, the cast as a whole did such splendid work that it is scarcely fair to single one out for honorable mention.

In the "Mouse-Trap" both Miss Moore and Mr. Pohl gave a brilliant and delightful performance They were well supported by the minor characters in that play.

"Miss Civilization," the last on the program, though not so picturesque as the Japanese play and not so laughable as the "Mouse Trap," nevertheless was a splendid success and furnished a fitting climax to the evening's entertainment.

The comic role of Mr. Stonnell in this play was especially amusing, while Miss Hilda Noonan was graceful and beautiful in the heroine's part. The entertainment will be repeated at the High School auditorium tonight. If you can't get a ticket, you can "Pay as you Enter."

SIDE-TRACKING THE TREATY

"The peace treaty has been assassinated by the Republican Senators says the Philadelphia Record. "The President has very properly expressed a wish that the cadaver should be buried instead of being posed in a standing position, and the pretense made that it is alive, in order to conceal the crime of Henry Cabot Lodge and the gang of which he is the leader.

These assassins do not wish to be known as the murderers of the peace treaty. In order to save themselves from the wrath of the people they wish to pretend that the treaty is alive. Presently it would fall over because it is not alive, and then Lodge and Borah and Knox and all their crowd would shout: "See what a worthless treaty the President brought back from Versailles! It cannot even hold itself up." The covenant of the League of Nations is the noblest effort so far made to eliminate war from a world which has just buried 7,000,000 victims of war, besides which it contains many millions of mutilated survivors, and unnumbered widows and orphans. Under it the United States would have assumed no responsibilities not shared by all the world. It would have waived no sovereignty that has not been waived in every arbitraiton or reciprocity treaty. The covenant denied no nation its right to justice. It did not pledge the United States to any repression of a subjected population. It involved the United States in no guarantees except such as it has assumed on half a dozen occasions. It only bound the United States to join with other nations in preventing the nation from attacking another until it had exhausted the resources of negotiation, or arbitration, or litigation before an international tribunal."

This year the need of early buying is a positive necessity.

Never in the history of the country has there been a condition to compare with the present state of the merchandise market.

There exist a scarcity of every holiday need. Few stores will receive more than 60 per cent of their wants. The demand is far in excess of the supply.

Therefore we urge you to buy early, whether you trade with us or with any other store. The condition will be the same.

The early buyer will have the selection.

We feel that our stocks present a splendid variety for the particular buyer and invite your critical inspection.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy, by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.

Singles and Doubles

In Suits for Men and Young Men

We have both, and plenty. The House of Kuppenheimer designed and tailored them; they are without a doubt the finest looking suits you or we have ever seen.

You'll like the double-breasters especially. They're different than the double-breasted suits of past seasons—the coats have higher waists, more flare to the skirts, new ideas in cuffs, lapels and pockets.

The single breasted garments are smart and popular, too. You'll like the variety we have ready; with or without belts; ultra stylish, conservative or in-between.

DEWS OF EVE

No More Gentle Than "Cascarets" for the Liver, Bowels

It is just as needless as it is dangerous to take violent or nasty cathartics. Nature provides no shock-absorbers for your liver and bowels against calomel, harsh pills, sickening oil and salts. Cascarets give quick relief without injury from Constipation, Biliousness, Indigestion, Gases and Sick Headache. Cascarets work while you sleep, removing the toxins, poisons and sour, indigestible waste without griping or inconvenience. Cascarets regulate by strengthening the bowel muscles. They cost so little too.

YOU NEED NOT SUFFER FROM CATARRH

But You Must Drive It Out of Your Blood.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing difficult breathing and other discomforts. Real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S. which acts on the catarrh germs in the blood.

If you wish medical advice as to the treatment of your own individual case, write to Chief Medical Adviser, 42 Swift Specific Co., Atlanta, Ga.
